

Unity of Tustin Scholarship Description

Scholarship Application Deadline:

No later than 7 days prior to the start of event

We will be accepting Scholarship Applications submitted to church on or before the deadline date noted above. Late applications will not be accepted. Please read all of the following information carefully before completing your application. Must be a member of Unity of Tustin to be eligible.

Scholarship Distribution

Scholarships are awarded based on a number of criteria, including availability of scholarship funds, applicant's financial need, and prior scholarships awarded to the applicant. We cannot guarantee a scholarship award to any individual.

Scholarship Options

It is our hope to make our intensives, workshops, classes and retreats accessible to those who are called to participate but have limited finances. Toward that end, Unity of Tustin offers two kinds of scholarships:

Partial Scholarships

A Partial Scholarship is an award of a percentage of the ticket price to be determined. Partial Scholarship recipients will be responsible for purchasing their ticket at the reduced rate. You will be given instructions on how to do that.

Full Scholarships

A Full Scholarship is an award of the full ticket price. You will be given information on where your ticket will be.

- Applying for a scholarship does not reserve a place in the event for which you applied unless the scholarship is granted.
- Scholarships are not transferable to other events or participants.

Completing Your Application

Submit only one Scholarship Application for the event of your choice. Complete the form thoughtfully and limit your responses to the space provided. Submit your application via email:

Email: darrell@unitytustin.org

We do our best to respond to Scholarship Applications no later than 3 days prior to the event.
