

PRAYER-TREATMENT FOR UNEXPECTED INCOME

I believe God is the source of all supply, and money is God in action, and should be used for good.

I believe my good is now freely flowing to me so bountifully I cannot use it all. I have an abundance to spare and to share, today and always, and the wisdom to rightly use it.

I am expecting "Unexpected Income!"

I believe God is now giving this to me and I accept this as Truth and give thanks.

All channels of financial supply are now open to me and I am richly, bountifully and beautifully prospered in every good way.

I believe true prosperity includes the demonstration of right living conditions, right activity and right kinds of happiness.

This word which I speak in faith, believing, now activates the law of increased universal good for me, and I expect to see rich results now!

I visualize the financial good I expect. I see it coming to me richly and abundantly.

I claim and accept it for myself now.

I am grateful in advance! I bless all the good I now have, and bless the increase.

I bless all others in the "Unexpected Income!" program, and I know we are now all prospering together in every good way, and share the good we receive.

I now freely give my tenth to God's good work. My giving is making me rich!

God gives to me rich, lavish financial blessings now!

This is so now. I am grateful. Thank you, Mother-Father-God!

(For best results, use this Prayer-Treatment once or twice each day.)

ENROLLMENT FORM UNEXPECTED INCOME PROGRAM

I, _____, agree to read the Prayer Treatment for unexpected money at least once a day for 60 days. My purpose is to gain a feeling of expectancy regarding the receiving of income from God through unexpected sources and to experience tangible results. I request and accept the help of the Silent Prayer Team in accomplishing this task.

Recognizing God's Law of Increase, I gratefully agree to give 10% of my unexpected income to Unity of Tustin as a conscious act of aligning myself with God's Law of Increase.
